VOWEL SOUNDS (SHORT & LONG)

VOWEL SOUNDS (SHORT & LONG)

LESSON 1

TODAY'S SOUND

★ ★ ★

a e i o u (y)

Vowels (a, e, i, o, u) have two main sounds. Short vowels are quick and clipped: a as in cat, e as in pen, i as in sit, o as in pot, u as in sun. Long vowels say their own name: a as in cake, e as in bee, i as in bike, o as in cone, u as in cube. A silent e at the end (like cake, bike, cone) usually makes the vowel long. In closed syllables (like cat, sit), the vowel stays short. Y can sometimes act as a vowel.

cat	cake	get	bee
sit	bike	pot	cone
sun	cube	hat	gate
pen	these	pin	time
hot	note	fun	flute

q	r	s	t
v	w	x	y

Say each consonant sound out loud, then think of one word that starts with it.
